## ONE GUILTY, TWO NOT SO

### Trial of Soldiers for Stealing Beer.

### Rapid Transit Co. Given Nonsuit in Killed Mule Case.

### Batch of Indictments—Miss Nolte Wins Trespass Suit Against J. A. Magoon.

The grand jury made a report to Judge Gear yesterday, presenting about a dozen indictments. Most of these went on the secret file, the accused persons not yet being in custody. The following three were under arrest:

Frank Lucewoko, keeping a lodging house without a license.  
Osuni, murder in the first degree, for killing one Sumi at Koolauloa, Oahu, on September 29 last. The victim was a woman, whose mortal wound Osuni is alleged to have inflicted with a knife in her back.

Jack Peter, assault with a deadly weapon. He is accused of inflicting a wound with a shot from a pistol upon the shoulder of one Ho Tim.

#### THREE SOLDIERS TRIED.

The three soldiers from Camp McKinley, charged with larceny in the second degree for stealing 18 bottles of beer from Moody's saloon, Walkiki, were tried by jury before Judge Gear yesterday afternoon. Their names are T. Buckley, R. Nurney, and F. Fisher. They were indicted for burglary and on the quashing of the indictment rearrested for the milder offense and therefor indicted. W. S. Fleming prosecuted, and E. M. Watson defended the accused. The following jury tried the case, retiring at 4:52 to consider their verdict: J. B. Pakele, E. K. Rathburn, L. J. N. Hips, F. J. Robello, E. H. Paris, Theo. Wolff, J. H. Davis, G. N. Hayselden, E. Norrie, J. P. C. Abel, W. M. Bush and W. A. Hall.

At 5:49 the jury returned a verdict finding Nurney guilty and Buckley and Fisher not guilty. Mr. Watson noted exceptions to the conviction of Nurney. Judge Gear appointed Monday for sentence.

Tanaka Miatara, assault and battery, and Annie Claudine, violation of a moral statute, were each released under nolle prosequi before Judge Gear.

#### NONSUIT GRANTED.

The damage suit of Dong Chong against the Honolulu Rapid Transit and Land Co., Ltd., ended in a nonsuit granted by Judge De Bolt after plaintiff had rested yesterday. J. Lightfoot appeared for plaintiff, and Castle & Withington for defendant. The following jury sat on the trial: E. McCriston, John Kuaana, Ben Guerrero, Chas. E. Fraser, P. M. Lucas, Jas. A. Auld, Chas. Butke, H. Meek, George Cypher, Isidor Levings.

#### GIRLHOOD'S PERILS.

"Sweet sixteen" is an age of which poets have sung rapturously. Mothers know that girlhood is not all romance and roses. The growing girl needs plenty of strength to fit her for the duties of maturity. There is but one real source of strength, and that is digested food. But so many lassies in the early teens will not eat what is good for them; they have no appetite, they say, and even when they do force food down their throats, it disagrees with them. Hence they are gaunt, white-faced and narrow-shouldered. Kind friends of the family remark that the darling of the household is going into a decline, or that she looks as if galloping consumption might get hold of her some day. Let no mother be scared. Thousands of just such slender, debilitated, fragile girls have grown into rosy, handsome, robust women because they built and toned themselves up with **WAMPOLE'S PREPARATION** which is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. It does all that plain cod liver oil does in making flesh and blood and does it better. Dr. P. A. David, Professor of Chemistry, Bishops College, Montreal, says: "I have used your preparation of cod liver oil both in my hospital and private practice, with results uniformly satisfactory, and consider it one of the best reconstructive tonics before the profession to-day; its palatability is also a most important and attractive feature." As sure of victory as water is sure to quench thirst. Try it and see how much sweeter life is without weakness, pain or worry. "It cannot disappoint you." Sold by all chemists here and everywhere.

ton, E. E. Mossman and Isaac Cockett. The action was to recover damages of \$123.75 and costs for the killing of a mule and damage to wagon and harness caused by an electric car striking the outfit. Judgment was given for defendant by District Magistrate Dickey, from which plaintiff appealed. The ground of the nonsuit granted was that negligence of defendant had not been shown.

#### TRIAL BEGUN.

The ejectment suit of Kapiolani Estate, Ltd., vs. J. G. Farla, was begun on trial before Judge Robinson yesterday. It is for land near the Beretania street pumping station. Cooper, Derby and Kaulukou appeared for plaintiff; Vivas & Correa for defendant. The jury consisted of the following named: J. K. Manase, Henry De Fries, Chas. T. Day, John H. Jones, Albert A. Wilson, C. N. Arnold, Carl Maertens, Joseph K. Clark, Charles Lewis, E. K. Naanao, Alex. Kahoalii and J. A. Smithies. When plaintiff rested, a motion for nonsuit was made by defendant and denied. The trial was then continued till Tuesday.

Union Express Co. vs. Inter Island Telegraph Co. was discontinued before Judge Robinson.

#### MISS NOLTE WINS.

The jury that tried the trespass suit of Fredericke Nolte vs. J. A. Magoon before Judge De Bolt, about midnight of Thursday returned a verdict for the plaintiff with \$1 damages. This vindicates the property rights of the plaintiff. When the plaintiff and her father were in Germany some months ago, the defendant bought from a native a piece of land in the midst of land owned by plaintiff. The native had been a borrower from the Nolte family and was under promise to sell them the piece in question if he sold it to any one. After Magoon bought it he instructed a Chinaman that he had a right of way through Miss Nolte's land, and the Chinaman forthwith proceeded to exercise the right, pulling down fences and making a thoroughfare over the land. Hence the suit. Judge De Bolt instructed the jury that Magoon would have to hold his assumed right of way by adverse possession for ten years before it had legal effect.

#### PROBATE MATTERS.

W. L. Howard, administrator of the estate of August Kraft, deceased, has filed his final account. It shows receipts of \$15,373.37 and payments of \$1076.23, leaving a balance of \$14,302.14 for distribution, consisting of cash and jewelry and real estate which the heirs have elected to take in lieu of cash under the terms of the will.

M. T. Simonton, Geo. C. Sea and Clem C. Quinn, appraisers of the estate of Thos. J. Cummins, deceased, have reported with a valuation of \$24,412.

Laura C. Green, executrix of the will of Mary M. Green, has filed her final account with a petition for discharge. Receipts are \$755.10 and payments \$931.55, leaving a balance due the executrix of \$176.45.

Judge Gear admitted the will of the late D. T. Bailey to probate, appointing Harriet Bailey executrix, without bonds.

#### FINAL DOWER AWARD.

Upon remittitur from the Supreme Court, in the case of Sophia H. Haleahale vs. Manuel S. Pereira and S. Kobayashi, bill for admeasurement of dower, Judge Robinson signed a final decree awarding the plaintiff \$781.76 together with her costs taxed at \$134.

WHEN YOU CANNOT SLEEP for coughing it is hardly necessary that any one should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat and make sleep possible. It always cures and cures quickly. Benson, Smith & Co., Ltd., Wholesale Agents, sell it.

## KUHIO ORDERED FROM THEATER BOX

Most native Hawaiians who have traveled in the States will appreciate the feelings of Prince Kuhio and wife, as described below, the more because of personal experiences of their own. East of the Sierras any man of color, seeking first-class accommodations, is likely to be mistaken for a negro and treated accordingly. A year or more ago the Queen and her attendants were refused accommodations at a famous Eastern hotel because they were taken for the "Black Patti troupe." White men with Hawaiian wives have been subjected to special annoyance on this score. Following is an account of Prince Kuhio's mis-adventures:

COLUMBUS (O.), November 6.—J. K. Kalaniana'ole, delegate to the coming session of Congress from the Territory of Hawaii, and affectionately known by the people of his native land as "Prince Cupid," met with a humiliating experience during his stay here. Prince and Princess Cupid were occupants of a box at the Southern Theater, and were thoroughly enjoying the surroundings, when the Prince was suddenly tapped upon the shoulder by an attaché and requested to "Bring the woman," so the story goes.

The Prince thought at first that some mistake had been made, but was invited again to leave, the attaché believing him to be a negro. The management, after learning of the blunder, sent special emissaries to the luxurious hotel apartments of the Prince to make due amends, but he scorned them and left for the East.

## MINISTER COMES AS AN INSPECTOR

Rev. R. L. Halsey arrived on the Alameda yesterday morning to take a position as inspector in the local immigration service. Mr. Halsey is probably the only minister of the gospel who has such a position in the Department of Labor and Commerce. He is not connected with any church officially but has in the past been doing mission work among the Japanese. For three years Mr. Halsey was interpreter at the San Francisco station and he will probably do some of the same work in Honolulu. A. F. Geffney was formerly Japanese interpreter at the local immigration station.

Rev. Mr. Halsey stated yesterday that he had not come to Hawaii to do mission work among the Japanese, but had simply been appointed as inspector in the immigration service.

## A KANSAS PREACHER

### HOW HIS EXPERIENCE HELPED HIS DAUGHTER.

After Her Father's Death Miss Buechel Encountered Serious Difficulties But Overcame Them.

The Rev. Charles Buechel, late pastor of the German Methodist Episcopal church in Wichita, Kansas, was one of the best known ministers of the state, having served in all its principal cities during his long pastorate. His daughter, Miss Lydia Buechel, now residing at No. 421 South Water street, Wichita, also has a wide acquaintance and her evidence on an important topic will command attention. She says: "For six years I suffered with a nervous debility which physicians failed to relieve and finally I was confined to my bed, a victim of nervous prostration. I was so nervous that I could not sleep, my stomach got so bad that everything I ate hurt me and my system became worn out from the nervousness and lack of nourishment.

"When my father was alive he frequently took Dr. Williams' Pink Pills for Pale People when he was worn out and nervous from preaching and they always helped him, so I decided to see what they would do for me. After taking one box I experienced relief and a few boxes cured me. I am perfectly willing to have this statement published in the hope that it will be the means of helping other sufferers to regain their health."

Dr. Williams' Pink Pills for Pale People are an unfailing specific for all diseases arising from impoverished blood or weakened, unstrung nerves—two fruitful causes of nearly all the ailments to which mankind is heir. They have cured locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions and all forms of weakness either in male or female.

Dr. Williams' Pink Pills for Pale People are sold by all dealers or will be sent postpaid on receipt of price, fifty cents a box; six boxes for two dollars and a half, by addressing Dr. Williams Medicine Co., Schenectady, N. Y. Do not trust the word of a man who says he has the genuine Dr. Williams' Pink Pills in bulk. None of these famous pills ever leave the factory except in packages bearing the well-known trade-mark composed of the seven words—"Dr. Williams' Pink Pills for Pale People."

#### Passed Small Bogus Checks.

Detective McDuffie yesterday afternoon placed Thomas Boisselier under arrest on a warrant charging him with gross cheat. Waterhouse & Co., notified the police that Boisselier had been drawing checks on their firm, and the police at once looked the Frenchman up. Boisselier has recently been passing checks on saloons for very small amounts, some being for \$1.25, and the whole amount of his alleged transactions amounts to but a small sum. He is a sugar boiler from Hawaii.
